

Truckee Wins In Fast Game; To Play GV Sunday

Team Goes Errorless, Squeezes Past Cubs In 9th Frame

After only three wins out of 18 games played, the Truckee Mountaineers Sunday offered ample proof that they are a good baseball club by defeating the Auburn Cubs 4 to 3 in a tight, well-played game on the local diamond.

Next Sunday the locals travel to Grass Valley for their final game away from home for the league season. Grass Valley has won nine and lost six games and are in fifth place in the Placer-Nevada League.

The game last Sunday was marked by exceptionally good field support behind the steady pitching of Bill Black. The locals for the first time this year went the full nine innings without an error and collected 11 hits off two Cub pitchers. Auburn got ten hits, one in each inning except the first when they got none and the ninth when they rapped three.

Holds Lead
Truckee went into the lead in the second inning when Mel White smacked out a home run. This one-run lead was maintained until the seventh when Mike Korich biffed a homer out to left field and Black's triple scored Bill Connors who had preceded Black with a single. With these three runs, Truckee felt secure until the eighth when Black's injured ankle, rehurt in his three-base hit, caused him to walk a couple of Auburn batters who came in on Marino's single. The three Cub hits in the ninth resulted in another run to tie the score.

In the ninth, Korich singled, Frank Giovannoni sacrificed and with two out, Black saved the day with a line drive into Pitcher Pat Hurley's leg which scored Korich.

Beautiful Catch
Probably the sweetest play of the day was made by Ray Lujan in left field who made a hard run, leaped high in the air to nail a potential homer in the fourth inning. Eddie Ulshemer at shortstop accounted for seven putouts singlehanded. Batting, Giovannoni hit the high mark with two for three, while Korich, who played a brilliant game back of the plate, got two for four, as did Black. Harvey Martin, local first baseman, who has been leading the team and in second place in the league for hits, had a bad day and failed to connect, although his playing at first was faultless.

Truckee lost one run in the seventh when Giovannoni, rounding third in lightning fashion, fell and was tagged out.

Sam Goss Again Heads Carpenters Local 2035

TAHOE CITY—Sam Goss of Lake Forest was reelected president of Local 2035, Carpenters AFL Union, at Tahoe last week. Carl Painter, Truckee, was named vice president and other officers named included E. Laverne, financial secretary; Gene Thompson, recording secretary; Ted Barrett, treasurer; Jess Brown, warden; Albert McEathron, William Duggan and Phil Geier, trustees.

Shepherd Injured In Fall from Horse

John Curranchet, 50, Marysville shepherd, suffered a possible broken back when he was thrown from a horse while working near Webber Lake Tuesday. He was brought to Dr. L. D. Nelson of Truckee by campers and, after examination, was rushed by the Truckee Ambulance to a Reno hospital.

Curranchet is employed by Muntz Church of Wheatland.

Since 1869

Marked Increase In Travel Shown By Record Here

Yermo Only Check Point To Top Truckee For June

Travel into California by way of Truckee showed a marked increase during June over the preceding month, according to a report by the Department of Agriculture which keeps the figures at the plant quarantine station near here.

During June a total of 29,351 vehicles were checked at the station with a total of 89,954 passengers, compared with 24,601 vehicles and 74,155 passengers during May. This represents an increase of 4,750 vehicles and 15,799 passengers.

The figures do not include local cars nor cars traveling eastward, it being conservatively estimated that the latter two groups will exceed those checked.

As usual, Yermo had the largest number of cars reported with 36,895 carrying 112,126 passengers.

Stateline had a total of 9,165 cars checked, an increase over the 7,925 for May, while Brockway, which opened May 1, had 1837 compared with 1045 for the month before.

Over the state there were 205,735 vehicles checked with a total of 650,663 passengers.

Speed Listed as Cause Of Weekend Accident

Francisco R. Quaves, 20, Stockton, was cited for speeding by State Patrolman William Gautsche after a 1948 Buick sedan overturned a mile west of the Nevada state line on Highway 40 last weekend. Two passengers in the wrecked vehicle, Francisco Vasquez, 24, and Emilio Bautista, 25, as well as the driver were treated by Dr. L. D. Nelson for injuries and released. The car was going east at the time, it failed to make a turn and left the highway.

Father Miles Visits After Army Service

Father Michael Miles, formerly pastor of the Catholic Church here, was a visitor at the parsonage this week, following his discharge after three years service as an army chaplain. Father Miles, during whose residence the local parish house was built, is now a chaplain at Folsom prison. Another guest of Father J. Boland was his brother, Father Thomas Boland, who is vacationing at the Thomas Doherty home at Kings Beach from his duties in the Sacramento Cathedral. Currently assisting Father Boland in conducting Masses in this area is Father Raymond Buckley, SJ, University of San Francisco instructor. Father Buckley was accompanied by Father Jerome Demeret, SJ, Alma College instructor, who returned to his post.

Lions Club Hear Talks On Squaw Valley Work

Robert Heron, constructing the ski lift at Squaw Valley, and Alexander Cushing, official of the development company there, were speakers at the meeting of the Lions Club last night, outlining the work being done and plans for the future. Other guests included Larry Hammick of North Hollywood, Niel Gardner of Sacramento and Paul Drageon of Oakland.

President B. W. Reynolds was in charge of the meeting.

From Colfax—
Barbara White spent the week-end with her parents, Mr. and Mrs. Guy White. She is employed in Colfax for the summer.

To Attend Show—
Mrs. N. Hayes of Berkeley is here and expects to attend the Wyethia Club flower show Friday.

At Clear Oaks—
Mr. and Mrs. P. R. Nelson, former Truckeeites are at Clear Oaks where Nelson is teaching school.

Tahoe Gun Club Will Hold Shoot On New Grounds

The new grounds of the Lake Tahoe Gun Club, located three-quarters of a mile from the highway at Tahoe Vista, directly north of the Tahoe Ice Company plant, will be officially opened Sunday, July 31, and all trap shooters are being invited to participate in the shoot.

Andy Sorensen, field captain, who has been largely responsible for the construction of the four traps and other facilities on the grounds, said that Walt Bailey will provide a trophy for club members, but that anyone may attend and join in the shoot, provision having been made for 100 shooters. There will be competition in A, B, C and D classes, he said. The shooting will start at 10 a.m.

Although only four traps have been constructed, Sorensen said, provision has been made for additional facilities later when the grounds will be used for major competitive events.

Swim Classes to Start on Monday at Donner

Herb Meyers of Auburn will conduct swimming classes for children over seven years of age under the auspices of the Red Cross, beginning Monday morning, July 25, to continue for two weeks daily Monday through Friday each week.

The classes will be held in a marked area at the west end of Donner Lake and the children will be transported by school bus at 9:30 Monday morning, meeting at the local elementary school building. Registration slips must be signed by the parents of each child before classes are started. These are available at the Methodist parsonage.

Mrs. Walter Loynd, chairman, Mrs. John Rablin and Rev. O. H. Swenson may be contacted for further particulars.

Softball Game Sunday At Noon on Ball Field

In a spirited softball game at the local park Sunday morning the Truckee 20-30 Club defeated the Lions Club by a score of 9 to 5.

Sunday at noon the 20-30 will play the 20-30 club of Reno at the Truckee diamond and the game will be followed by a picnic for the two clubs and members of their families at the west end of Donner Lake.

The refreshment stand will be open and everyone is invited to go out to the park and witness the contest.

At the 20-30 club meeting last night pictures were shown on forest conservation and fire prevention with Earl Smith program chairman.

ACCIDENT AT HOMEWOOD

HOMWOOD—Stephen Brandeburger, 7, Henry Elder and Joseph Ensign, employed near here were injured Tuesday in an automobile collision near Homewood. The injured were treated and released.

Business Visitors—

Mr. and Mrs. Clarence Clemmens of Smith River were business visitors here Tuesday. The Clemmens, who are former local residents, left for Sacramento before returning to their home.

Youthful Bay Area Editor Gives Impressions On Visit To Truckee

EDITOR'S NOTE
Although Charlene Shattuck, daughter of Mr. and Mrs. Charles Shattuck of Napa, is only 11 years old, she has published her own newspaper, the Burlingame Manor, a lively little organ of neighborhood information at Burlingame, and has won the applause of bay area dailies for her efforts. She published her Manor Saturdays and delivered them on Sunday to their neighbors of her community. We are pleased to submit an article written by the young editor now visiting here with her aunt and uncle, Mr. and Mrs. V. C. Shattuck.

My name is Charlene Shattuck. I doubt if many of you know me but you probably know my aunt ever he asks for a ten cent one, do is lie flat on the bottom and

Flower Show To Be Held Friday At Capitol Hall

Reno Women to Judge Entries at Wyethia Floral Event

All flower growers are invited to participate in the flower show to be held by the Wyethia Club at Capitol Hall tomorrow between 2 and 9 o'clock. All entries must be in between 8 and 11 a.m., Mrs. Gladys Dolley, chairman for the event, said. Judges will be Mesdames R. B. Atkins, R. B. Hendricks and Clarence K. Bath, all of Reno.

Cut flowers and potted plants will be featured in 21 different arrangements and the public is invited to see the show. Full information may be obtained by calling Mrs. Dolley at 12W.

Local firms which have donated awards for the flower show include Johnston's Jewelry, Truckee Tahoe Lumber Co., Heller's Variety, Tonini's Rasco, Cabona's, Truckee Tire and Auto Supply and Loynd's Truckee Drug.

Tahoe Kokanee Plant To Improve Fishing

The initial plant of Kokanee in Lake Tahoe, comprising 110,000 fry, was completed last week, Allan Pollitt, superintendent of the Tahoe state fish hatcheries, announced. A plant of 750,000 a year for the next three or four years, Pollitt said, is expected to revive game fishing in Tahoe. The Kokanee, he said, will not only provide permanent resident stock but also forage for the mackinaw which now frequent the lake.

Plants will be made in Donner Lake as required, Pollitt said, to maintain a heavy population, although a matter of propagation is more or less dependent upon the drawing off of water in the fall.

The spawn is obtained by purchase from Idaho and arrangements are being made with Nevada fish and game to turn over one hatchery to supplement the California facilities.

The Tahoe crews have been engaged recently in stocking back lakes and streams with rainbow fry. Stocking of the local streams including the Truckee River will be delayed as long as possible and will depend upon the water supply at Tahoe.

Cowboy Motif Features Boy's Birthday Party

Reggie Smart observed his 6th birthday on Monday, July 18, with a party at the home of his parents, Mr. and Mrs. Reg Smart. The cowboy motif was used in the table decorations and after the cutting of the traditional birthday cake, games were played by the young guests. Among those present were Timmy Riden, Frankie and Shirley Patton, Merrill Englehart and Karen Smart.

From Sacramento—

Mr. and Mrs. Moke Kielhofer of Sacramento were recent visitors here and at Lake Tahoe.

Here Last Week—

Mrs. M. Mills returned to Sacramento after a visit here last week.

Sun Beams

by Walter M. Barrett

We believe that it is significant that newspapers are the only major medium to show a big gain in national advertising in May over a year ago. Newspaper advertising nationally was up 13 per cent, according to Printers' Ink index, while magazine and radio advertising each dropped one per cent and outdoor advertising was down 12 per cent. What has proven advantageous nationally applies locally, we believe. National advertisers conduct research and choose media for the best advantage. Local advertisers can profit from this knowledge.

Fresh to moderate winds during the past week or so have increased the fire hazards throughout the area by a considerable degree, drying out the brush and grass and adding to the dangers from neglected fires. Do your part by never overlooking a bet to prevent a forest fire. A burning cigarette tossed from a car may blow into dry grass and result in a major fire. Use your ash tray and be sure you don't cause an uncontrollable fire.

No Sanitary Bond Seen According to Morris

The need for an immediate bond issue to provide finances to carry on the work in the Truckee Sanitary District dissolved this week when Fred Morris, secretary of the board, said he had been advised by County Clerk Ralph Deebie that there is a balance of \$1348.20 from last year's budget.

Morris said that with the allowable tax rate of 40 cents per \$100, it will be possible to raise \$2,591.80 through taxation and that after paying \$2,200 for the truck, used for garbage disposal and now leased by the Truckee Public Utility District, there will be approximately \$1800 left for operating the district.

District Attorney Vernon Stoll told Morris that there is no way open to the district to secure additional funds except through normal taxation or a bond issue. The latter course, Morris added, will not be used until absolutely necessary.

Michael Thomas, Mama Arrive Here Today

Mrs. Jack Thomas and infant son Michael are arriving today at the home of her brother-in-law and sister, Mr. and Mrs. Rex Tackett, following the baby's birth at Reno on Wednesday, July 13. The child's birth weight was 6 pounds 13 1/4 ounces.

John Brown Returns From Trip Abroad

The guest of Mr. and Mrs. W. M. Englehart Jr. is John Brown, who recently returned from an extensive tour of England where he met many relatives and friends and continued his trip in Canada and across the United States.

Mr. and Mrs. Freeman Campbell of Los Angeles are enjoying a fishing trip on the coast but plan to return to the Englehart home here before going south.

Work Rushed On Squaw Valley As Contract Is Let

\$400,000 Will Be Spent On Resort Project, Cushing Says

With the awarding of a contract to the Frances Construction Company of Santa Rosa, work was started last week on the spacious lodge at the Squaw Valley winter sports development, and Alexander Cushing, organizer of the project, announces that with the completion of the unit and a gigantic ski lift, the resort center will be ready to open in October to greet the first major fall of snow.

Work is progressing rapidly on the development, Cushing said, and the two and a half miles of road from Highway 89 to the valley, as well as other projects, including the construction of sleeping rooms—dormitories and private quarters—for 150 people, the ski lift, lodge and lesser facilities are being rushed.

The lodge when complete will cost \$100,000, Cushing said, and is an original, modern design by Delano and Aldrich, New York architects. It will be approximately 100 feet long and 50 feet wide and will contain, among other things, a cafeteria, cocktail lounge and will have a double-deck porch so that when desirable service can be offered out of doors. It will be possible, Cushing said, to serve from 1500 to 2000 people per meal.

Only sufficient housing is being provided to accommodate a small number, the bulk of the patronage being anticipated from hotels and homes throughout the district.

The ski lift, designed and being installed by the Heron Engineering Company of Denver, is said to be the largest in the world from a standpoint of capacity, accommodating 600 people an hour. The lift will be 8200 feet long and will rise to an elevation of 2000 feet at the top of Squaw Peak. The unit will be operated summer as well as winter, Cushing said, to provide a means for those desiring an excellent view of the surrounding area, including Lake Tahoe, and for those wishing to take excursions to avail themselves of the service offered. The chairs each have a capacity for two people. Smaller tows will be installed and every facility for winter sports enjoyment will be added as time permits, Cushing declared.

It is expected to have skiing in the resort from the first heavy fall of snow in November until the first of June.

Particular emphasis is being given the ski school which will be under the direction of the famous French instructor, Emile Allais, who has developed the modern skiing technique which (Continued on Page 8)

World Affairs Topic At Rotary Meeting

Paul Jensen of the University of Nevada reported to the local Rotary Club Monday night on "Europe as I See It." Jensen is United Nations representative for Nevada and due to the excellence of the speaker, members were asked to bring their wives. John Ciardella doubled as presiding officer and program chairman.

Visiting Rotarians were Sam Faulkner, Brockway; Pete Land, Loyalton; Chet Hatch, Auburn; N. C. Johanson, West Sacramento; Charles Black, Lodi; A. C. Bochmer, Lodi; Lyman Feathers, Los Gatos, the latter a nephew of Roy Feathers, former Truckee businessman. Ed Jenkins of Truckee was a guest.

Lumberman Is Fined In Fire Hazard Case

B. G. Vernazza, foreman for a Graeagle Lumber Company crew operating near Donner Lake, paid a \$50 fine before Justice of the Peace R. N. Little this week after a charge of operating tractors in the Tahoe National Forest without adequate spark arresters had been filed by forest service officials.

School Bond Vote Set For August 16th By Board

\$750,000 Issue Is Sought For School Plants In District

Members of the governing board of the Tahoe Truckee Joint Unified School District have fixed Tuesday, August 16, as the date for holding the bond election to determine if the district shall have a new high school.

Notice of the election, setting forth the location of the five precincts and other details, will be found on another page of the Sierra Sun today.

The bonds proposed to be issued and sold will total \$750,000 of which amount \$600,000 will be utilized for the purpose of erecting a new high school plant and \$150,000 for elementary school purposes, according to the notice.

The site for the proposed high school plant, which will embody all the necessary facilities for a modern school and provide for growth of the district, has been selected at Meadow Park, a mile and a half west of Truckee south of Highway 40. The Truckee Public Utility District has agreed to sell the 50 acres required to the school district for the sum of \$2,000. Eight other sites were inspected by the state and local officials and the one chosen was found to be the only one meeting all the required specifications, Everett O'Rourke, district superintendent, reported.

"The sum required for the district school program may appear large," Walter A. Loynd, president of the board, said, "but taking into consideration the fact that the retirement of the bonds will extend over a 20-year period and will come from a district with an assessed valuation of above \$12,000,000, the cost should not exceed present tax rates and in some cases in the district will even be lower."

The bonds, if issued and sold, will be redeemed at the rate of \$37,000 a year, O'Rourke said.

Polling places will be at Donner Trails school, Truckee elementary school, Kings Beach elementary school, Tahoe Lake elementary school and Floriston elementary school.

Eastern Star Initiates Five at Meet Tuesday

Truckee Chapter No. 116, Order of Eastern Star, held initiation ceremonies for Grace Bowman, Clair Walters, Helen Walters, Flora Miles and Isaac Miles at their meeting Tuesday. Following the meeting refreshments were served in the banquet room to the members and their 30 guests.

The chapter plans to charter a bus to attend the Ice Follies in San Francisco. The tentative date is August 13 or 20. Members of the Eastern Star and the Masons can obtain further details and reservations from Elizabeth Bavler or Thersia Buddle.

Theatre Party Marks 10th Birthday of Lad

A theatre party and dinner featured the 10th birthday of Billy White, son of Mr. and Mrs. Guy White, at their home here Tuesday, July 12. After the opening of gifts, the party attended the show at the Donner Theatre. Those invited included Jessie Rablin, Linda Loynd, Barbara Brown, Irene Englehart, Donald Sites, Bruce Hagstrom and David Eaton.

Brownie Troop to Get Flag at Ceremony

Brownie Troop No. 1, Truckee, will be presented with an American flag Sunday, July 31, at ceremonies to be held at the Wyethia Club House at 2 p.m. Presentation will be made by Mrs. W. L. Hack, member of the Daughters of the Union Veterans of the Civil War, Mary Morris Husband Tent of North Sacramento, which is giving the flag. A program by Brownie members will precede the presentation and all families and friends of Troop No. 1 are cordially invited to attend. Mrs. Gladys Pedley, who replaced Mrs. Velma Stollard as troop leader, will be in charge of the meeting.

On Vacation—

Mr. and Mrs. B. J. Riordan have been enjoying a vacation in southern California.

Birthday Observed—

Mrs. Earl Stice observed her birthday Thursday, July 14. Member Feted—
Mrs. R. N. Little was feted in observance of her birthday, Sunday, July 24, when the Eight-some bridge club met yesterday at the home of Mrs. Annie Tonini. A decorated cake was cut at the refreshment hour.

Summit Scene

by FRAN COUILLARD
We spoke of Butch Hansen and Denise Merrill throwing their birthday party together last week. A follow up on the birthday table is in order. The ingenuity of the mammas Merrill and Hansen was made manifest in decoration. When mammas can take birthday cakes and make merry-go-rounds by the use of straws and little figures to delight the eye of any child, that is ingenuity.

At the Smorgasbord at Donner Summit Lodge on Saturday night it seemed like a party at every table. First Tom and Ethel Buell

had a preview of Tom's birthday which fell this mid-week; birthday cake and the works. The Martin Ludwigs of Kingvale stepped out to celebrate their 47th wedding anniversary and were seen walking around the Smorgasbord. When Bud Horak announced their auspicious occasion, another couple quietly announced they had been wed 30 years less than that so the two anniversary parties got together. Lucille Little of Truckee whispered in my ear that her birthday would fall on next Saturday. Elmo Moriano entertained a group of friends at another table while the resident of Kingvale Park turned out en masse. We wonder if Lola Schull's pansy centerpiece that graced the board composed of 200 giant pansies and raised on the little built up terraces in the Schull's back yard was the attraction.

While we're covering Donner Summit Lodge, we hear that the Peace Officers of Northern California will hold their annual banquet there at noon Thursday. We see Sheriff Dick Hoskins flitting around the place while he makes arrangements. He tells us that Senator Harold (Bizz) Johnson will be the speaker of the show. Also hear that the educational group that held forth there last year for a convention will return this year some time in August.

See a load of lumber being dumped at the Chuck Wagon property. The Stanley Waltons hope to complete a new Chuck Wagon this year. Madylon measures the places where the windows are supposed to be and contemplates weaving her own drapes. Across the street at Ski Hi we see drapes as yellow as

sunshine gracing the windows to compliment the new dining room paint job there.

Barbara Zorich is visiting her folks in Amador County while she awaits the Zorich first born. The H. A. Thompsons, who have been living on Forty and working for the snow lab, have moved to San Jose. Goldie Rowton has been drafted by her husband as the Soda Springs service station to wash car windows. Little Peg Travis of Soda Springs Hotel had a minor operation and is coming along nicely. Pat Vail celebrated his third birthday recently. Sis and Bob Leandro (Elmo's partner and sister) are returning home with their two children, brown as berries, after two weeks vacation at Beacon Hill. We tarry in Beacon Hill Lodge to mention the beautiful barbeque pit in the back yard had its initiation the other day when Moriano's mother barbequed chicken Italian style. The James Sherritts left for Los Angeles for a few days while John Carl labors on in their basement finishing Eula's beauty shop. The Oscar Beach hammer whangs away while Oscar puts on a new back porch on his year-old Highway Forty home. The Soda Springs grocery (George Fraley's, mayor of Soda Springs) dolls itself up with a new shingled roof. Hammers banging away in the property back of Pratt's Garage made us discover a new home being built back there. In that locality Al and Irma Ledgerwood of Richmond bring up their electric refrigerator and gas stove to make themselves more comfortable for a month's sojourn in their little house. Kingvale Park residents scratch their heads and contemplate sinking a community well as the community gets larger and larger. All the way from Cisco to the Summit we hear that business is exceptionally good and we verify this as we hear that "no vacancy" signs can be seen each evening in the resorts along the way.

Just in passing, we mention we saw an article in the S.F. Chronicle sport section placing Tony Donadio at Donner Summit Lodge in the minds of the sporting fans that used to follow his brilliant career as an outstanding football star.

Bill Rutherford, Bert Barber, Tony Donadio and other members of the Donner Summit American Legion Post made a sad trip to Sacramento the first part of this week. The boy for whom their post is named, Harold Eugene Jones, was reburied at a

North Tahoe

by T. BURROUGHS
The North Tahoe Utility District board of directors met on Tuesday, July 19, to receive engineers' reports. Maps and descriptions of areas to be incorporated are required to be sent to the state board of equalization and the county assessor. Further information will be available in the near future.

Chamber of Commerce
Secretary Fred Perley announces that the young and active Lake Tahoe Chamber of Commerce will occupy its new office in the Joe King Building at Kings Beach in time for the board of directors meeting to be held there Thursday evening, July 21. Perley also states that in all probability the information booth at the approach to the lake via Tahoe City will be ready for action by Sunday, July 24, and that the business men on the south end of Tahoe are making progress toward the completion of their booth.

Church News
Dr. D. W. Throckmorton, Sacramento district superintendent of Methodist Churches, will deliver the sermon at the outdoor chapel on the corner of Bear and Dolly Varden streets in Kings Beach Sunday, July 24, at 11 a.m. Sunday School will continue to be held at Carpenters' Hall or Bear Street in Kings Beach at 10 a.m. Mrs. Alice Ballard will render a vocal solo. For the formation of the MYS a fine turnout of young people was witnessed last Sunday.

Softball
Friday, July 15, the North Tahoe softball team defeated the Carson City Eagles in Carson City with a score of 13 to 6. This was a night game in which Robert Stevenson of Holliday Inn made two beautiful home runs which not only went a long way toward winning the game but lifted our boys to a high level of elation.

Sunday, July 17, the Eagles met our boys on the Brockway Golf Course ball field for a return game and were again defeated with a score of 8 to 4. Don Edwards of Tahoma did some splendid pitching. This was the third game in a row to be

military service in the Grant Memorial burial ground. "Buddy" Jones, shot down over Germany during the war, is now resting a short distance from his home and the school he loved. Bill Rutherford, folding the flag that covered the casket, thought of Buddy as tears flooded his eyes.

won by our boys. Next Sunday, July 24, the 20-30 team of Carson City will meet the North Tahoe team on the Brockway Golf Course field at 2 p.m. The following Sunday, July 31, a good strong team from Sparks, Nev., will come over for a game. Those of you who like ball games ought to see these two.

Membership Shoot
On Sunday, July 31, at 10 a.m. the Lake Tahoe Gun Club will shoot for the Walt Bailey trophy. Bailey operates the Tahoe Vista Garage. This is a membership shoot only. On Friday, August 5, at Ta-Neva-Ho Lodge, 9 p.m., the awarding of four trap grade shot guns (12 gauge) and four boxes of shells will take place.

Auto Collision
Cars will crash, as David Hellman, Santa Cruz, and Francis D. Zambresly, Hayward, now know, when one slows down and other does not. Hellman, driving on the highway near Incline Beach, had slowed down to see if he had injured a deer that bumped his car when the Zambresly vehicle crashed into the rear. The Hellman car was able to travel under its own power but the other auto was towed into Tahoe Vista by Walt Bailey.

Mostly Personal
Dr. and Mrs. D. W. Throckmorton and their daughter Phyllis are guests of Mr. and Mrs. V. L. G. Mosier of Verden Villa. Mr. and Mrs. Warren Coates of Bakersfield are guests of her sister, Mrs. Byron Abbott.

Ambrose Furer of Mont Blanc Lodge is happy to have his young daughter Elizabeth here for a visit. She is accompanied by her uncle, Joseph Indergand, and George Bregante of San Francisco, where both are employed by the Haas Wholesale Grocers. John and Janet Walpole of Reno, who recently joined the Young Married Set, were seen entertaining a still more recently married couple, Cliff and Doris Lucia of Alameda at Mont Blanc Monday evening.

A good many of you know that Douglas Miles is abroad in the service of his country. You should hear of some of the interesting experiences Doug is having. A recent letter to his parents, Florence and Mulford Miles of Brockway, tells of the, to him, strange customs of the peoples of other nations. Fourteen days in sunny Italy, ten days in Austria and then ten days out on the border are filled with change and interest for Doug. Some of you may understand what a Trust Trooper is—I don't. He says they go in for a lot of brass, chrome plated bayonets and skin tight uniforms. It must be an interesting way of life. His address is Private Douglas L. Miles, RA, 19326105, Co. L, 3rd Bn, 351 Infantry Trust, APO 209, c-o Postmaster, New York, N. Y.

Mulford is home again. Though still in a cast, he gets around with an amazing amount of agility. Glad to see you at home, Mulford.

Mr. and Mrs. Otto Strunk of San Leandro and their young son are visiting friends in Kings Beach.

Mr. and Mrs. Bob Richardson of San Leandro were weekend guests of Ambrose Furer.

Miss Helen Seiger of the Seiger Dancing School in Alameda does not like leaving Tahoe after a too-short vacation at the North End. We don't blame her. Too bad more vacations can't be extended for a longer duration at Tahoe.

Remmer Freed
Gambling charges against Elmer (Bones) Remmer were dropped in San Francisco Tuesday at the request of the district attorney's office. Remmer is a former Tahoe resort operator.

Stanley Dollar Sets New Boat Marks In Eastern Regatta

BATTLE CREEK, Mich.—R. Stanley Dollar Jr., commodore of the Tahoe Yacht Club, drove his Skip-A-Long of California to two new national records in the 45-mile speedboat race here to win the Percy Jones Regatta here this week.

Miss Great Lakes, winner of the 1948 Gold Cup and third in the first heat this year, flipped on its back and sank in Gull Lake at the start of the second heat.

Disturbs the Peace
Paul F. Scroggins of Sacramento was fined \$20 by Justice Charles G. Powning after pleading guilty to a disturbing the peace in a north Lake Tahoe resort last Monday.

The Canal Zone had a civil population of 47,352 in 1946.

Tahoe Letter

FROM SWANEE

Tahoe City, July 18th

Dear Tahoeites:

Perfect summer weather has been prevailing at Lake Tahoe with throngs lining the beaches and filling tourist cabins and resorts. Today, Monday, a brisk little breeze is blowing but this is welcome to most of us, only fishermen finding it inconvenient. And speaking of fishing reminds me of the exceptionally beautiful rainbow trout which caught a mile down the Truckee River on Saturday morning by John Nerond of Tahoe Park. He left home early to try his luck and settled on a spot just above what used

to be the old ice pond near Ram-part. With his first throw he hooked a big fish, using only a minnow on an eight pound test line. The big fellow proceeded to break the line and Nerond, not expecting such opposition, had no spare equipment and had to return home for some. Returning, he cast once again and once more a big trout hit his bait. This time he landed him and it proved to be a nine pound rainbow. Fishing news has been good all around the lake during the past weeks. Even back country streams have been reported productive although many of the fish caught are smaller.

Had a nice note from the Fred Whites of Rochester, Washington,

in which they told of a visit to their home by Howard Mahurin whose home on Fairway Drive we Swansons bought. Mahurin is employed with the seed department of the department of agriculture in Washington and Fred has secured a license as state milk tester in that state. The White ranch now has two calves, 28 chickens and a "mess of rabbits" and a grand family garden which keeps Mrs. W. plenty busy. They miss Tahoe but are so busy they have little time to think about it. And, for the first time in years, the White family can go on picnics and enjoy life without worrying whether anyone put out the campfire or not. They aren't even required to have a permit at the Point Defiance Park at Tacoma, one of their favorite picnic grounds. They're going clammimg next month along the coast, a new experience for Gladys who neither knows how to catch them nor how to cook them. Guess we Swedes will have to give them our favorite recipe, the catching she will have to learn for herself.

Just heard Rupert Hughes, the novelist, is vacationing at Tahoe. He has parked his seaplane at Jake Obexer's and rented a motorboat for a trip around the lake. He is reported combining business with pleasure.

Once again I am sorry to report that my good neighbor, Mrs. Lucille Cross is leaving for San Francisco where she will undergo a spinal operation. Her back injury came about as a result of a highway accident a year and a half ago when the wheel of her car came off, wrecking the vehicle and sending her to the hospital for many weeks. She has consulted several western doctors since as well as the Mayo Clinic. The coming operation is expected

WALTER C. FISHER, Queens-ton, Ontario, Canada, is the new president of the International Association of Lions Clubs. He was elected by unanimous vote at the 32nd annual convention of the association which closed at Madison Square Garden, New York, today. Fisher succeeds Dr. Eugene S. Briggs, Enid, Oklahoma.

to result in a permanent cure. This would be most welcome news to the wide circle of friends of the Charles Cross family in the Truckee-Tahoe region and I add my heartiest wishes for speedy and complete recovery.

Received some excellent photos last week from Bert Six and Carl ombs of Warner Brothers, taken during the filming of scenes at Lake Tahoe of Beyond the Forest. They are of Bette Davis and Joseph Cotton, stars of the picture.

I made a quick trip to Reno on Sunday and brought back daughter Marie and little Billy who will vacation with us for several weeks. It was terribly hot over there and Tahoe's cool breezes never felt better on our return home.

Bob French's athletic ability stood his in good stead one night last week while he was hiking back into Granlibakken where his folks are occupying Rustad's ski lodge for the summer. Dim moonlight lighted his midnight path and as he neared the dip at the foot of the old Olympic Hill road he had a queer feeling that he was being watched. Goose pimples rose on the nape of his neck as he was compelled to stop and look and listen. Almost as though he expected it, from the nearby hillside came a low, blood-curling growl and out-

lined in the eerie light Bob could make out the form of a large bear standing on its hind legs watching him. Without a split second's delay and without further investigation Bob started off on what he believes was undoubtedly the best mile sprint of his life and he is an athlete of no mean ability. Bob wasn't exactly afraid—he just didn't care to become too familiar on such short acquaintance.

Tuesday morning friend husband and I will meet his daughter, Mrs. Vendia Purcell and son Teddy at Tahoe Inn for breakfast. They will arrive from their home in Saratoga, visit with us briefly and then accompany Mrs. Alice Sunkel to her home near Lake Valley for a week's vacation. Vendia was raised at Tahoe and enjoys a wide circle of friends here.

Stopped in at Sarge's in Truckee recently and enjoyed a grand luncheon. Art Rafel and his piano are a welcome novelty, filling the dining room with tuneful inter-ludes.

Had better ring off for the week and get this mailed. Good luck, good health and happy landings to you all, sa ever, Swanee

Enjoying Summer—

Mrs. George G. Pollock of Sacramento is enjoying the summer at Ta-Ha-Na, her summer place at Tahoe City.

Tahoma from Santa Monica—William Poulter has returned to Tahoma from Santa Monica.

County Health Office, Seven Months Old, Active at Lake Tahoe

TAHOE CITY—The Placer County Health Department, established November 1, 1948, has already built up a considerable record of service in the Lake Tahoe area and throughout the county. The department is headed by Dr. Saul Ruby, and is administered by a staff of six.

Mrs. Dorothy Burkhart, public health nurse, recently initiated a well baby conference series in the Tahoe region which will continue through the summer and fall.

The Tahoe region is receiving intensive surveys for improvement of sewage systems, septic tanks, cesspool pumping operations, etc. At Kings Beach a program is being carried on at present to establish a new sewer system and petitions are being circulated in Tahoe City for establishment of such a system.

Dr. Ruby is gratified at the complete cooperation of the majority of property owners backing the anti-pollution program and plans for establishing the sewer systems.

Beside sewage and child health programs, the department of health is active in combating communicable diseases through immunization, keeping statistics of births, deaths and sickness in the county, conducting health education and laboratory service.

Mrs. A. M. Henry of Tahoe City is an active member of the department's board of directors.

'Old-timer' has a special meaning at Standard

They say you're not really an "old-timer" at Standard until you've been on the job at least 20 years...and at 30 years, there's a special company award: a gold watch and six weeks' vacation with pay.

That's appreciation of a man's service to his company, of course, but it also illustrates a principle we believe in for all employees—good people in good jobs serve you best, and we do everything we can to make jobs at Standard good.

Security, good pay and working conditions, advancement from within, free insurance, annuities at retirement are all part of making that principle a reality.

The average length of service of all our 17,890 parent company employees is slightly more than 11 years. And the 20-year "old-timers"? Fully 4,856 are working with us today.

Engle Favors Change of Post Office Name At Lake, Letter Says

TAHOE CITY—Mrs. Jeannette Mitchell, president of the Women's Club of Tahoe, has received a letter from Congressman Clair Engle stating that he had received a letter written by the club's former president, Mrs. Louise Geier, requesting a change in the name of the local post office from Tahoe to Tahoe City.

Since he believes it represented the views of all substantial citizens, local clubs and organizations, he has written V. C. Burke, first assistant postmaster general, suggesting he follow the recommendation. Letters containing the request were mailed to Engle from the Lake Tahoe Chamber of Commerce, the Rotary Club of North Tahoe and the Women's Club.

Jerry Frankel of San Francisco is a guest at Tahoe Tavern.

August 7th Big Day As Tahoe Tavern Plans Sports Events

TAHOE TAVERN—Tahoe Tavern has scheduled a special all-day program free of charge to the public on August 7. The events will start at 10:30 when a water skiing exhibition will be staged under the auspices of Bud Scott's Tahoe Water Ski School. Following this will be the tennis exhibition on the resort's courts at 11:30, directed by Pro Fran Smart.

Their fourth annual Lake Tahoe swimming championship races will take place in the afternoon at 2:00. More than 100 entrants from all parts of the lake are anticipated. Participants should contact Harry Pierson at the Tavern pool as soon as possible. This is the biggest event of its kind staged under the supervision of Pierson, Tavern swimming instructor, who also is responsible for the unusual water ballet performed by Tavern lovelies to the rhythms of Al Wallace's orchestra.

Competitive events, all free style, are as follows:

- Boys, 10 years and under, 25 yards.
- Girls, 10 and under, 25 yard event.
- Boys, 12 and under, 25 yards.
- Girls, 12 and under, 25 yards.
- Boys, 14 and under, 50 yards.
- Girls, 14 and under, 50 yards.
- Boys, 16 and under, 50 yards.
- Senior Men's Open, any age, 50 yards.
- Diving event, open to all ages.
- Relays, boys' (under 18) four berth team, 200 yards.
- Senior relay, four-man teams, 200 yards.

Ribbons will be awarded for first, second and third places in the first four events; medals for the next five and gold medals to the winning relay teams.

AAUW Scholarships Will Be Awarded

TAHOE CITY—The Tahoe-Sierra branch, American Association of University Women, are meeting on Thursday, July 21, at the home of Mrs. Ray Scott in Gateway Park near Truckee.

During the meeting the names of the winners of the group's scholarships will be announced. This is the second year the scholarships have been awarded and four students of the Truckee high school are reported to have completed the necessary examinations.

Refreshments will be served by the hostess at the conclusion of the business session.

Tahoe Lad Celebrates 5th Birthday at Home

TAHOE CITY—The fifth birth anniversary of Grant Burmer was celebrated at a family party on Tuesday, July 19, arranged by his mother, Mrs. Chris Burmer of Tahoe. Mr. and Mrs. Sam Goss were present to wish the small honoree many happy returns of the day.

Functions of FBI Told At Rotary Meeting Tuesday at Homewood

HOMEWOOD—Basil Myers of San Francisco gave an interesting talk before the Rotary Club of North Tahoe which met at Homewood Resort on Tuesday. His subject was "How the FBI Operates."

Thirty-six Rotarians were present, including four past presidents of Rotary Club of Woodland—Don Huff, W. H. Boyce, Ernest Zebal and Edward Griffith.

The fund for Imogene Wittsche of Roseville was swelled by \$148.98. The 13-year-old girl lost both feet recently in a speedboat accident at Lake Tahoe.

Terry Welcomed Home After Hospital Siege

TAHOE CITY—The host of friends of young Terry Tollefson, son of Mr. and Mrs. C. A. Tollefson of Big Chief, are delighted to welcome him back after his having spent several months in Sun Valley, Idaho, Hospital recuperating from a critical skiing injury. Terry was a member of the California team which participated in the Western States American Legion tournament last winter. He was painfully and seriously injured when he fell on the icy slope of the racing course during competition.

He is now able to spend a part of each day in a wheel chair and has lost weight and color but with careful nursing and the pleasure of being back home, his family and friends are praying for a speedy and complete recovery for this ace Lake Tahoe Ski Club performer.

Kin of Tahoe Woman Reveals Betrothal

TAHOE CITY—Recent houseguests of Mr. and Mrs. Raymond Tissue of Sunnyside were Mrs. Howard Smith of Los Angeles and Miss Mercedes Hutchins of Jacksonville, Fla. The latter, a sister of Mrs. Tissue, announced her engagement to Ensign Edward A. Woodward Jr. of Portland, Ore., a jet pilot stationed at Jacksonville. The wedding will take place in September at the base chapel there.

The bride elect, daughter of Mr. LaBelle Hutchins of Jacksonville, was one of the season's loveliest debutantes. They couple will make their home in the Florida City.

Sierra Sun Advertising Pays!

Women's Convention To Be Held at Lake In Late September

TAHOE CITY—Many reservations have been received for the luncheon party to be held at Homewood Resort on Thursday afternoon, July 21, by the Women's Club of Tahoe. Mrs. Jeannette Mitchell, president of the group, will be on hand to welcome the visitors and conduct a brief business meeting. Entertainment will follow the repeat.

Ladies of the Kings Beach Women's Club and the Truckee Wyethia Club were invited to attend the luncheon. Members of the Kings Beach club, through Mrs. G. P. Friday, will be invited to join the Federation of Women's Clubs of California. The group is reported to have over 50 members.

A special meeting was held in Tahoe Community hall on last Thursday. A letter from Mrs. Belle M. Brock, Nevada City, Tri-County president, asked that the first fall convention be held at Tahoe City on September 29. Mrs. Amy Lange, northern district president, and Mrs. Cooper, state president, have written that they and their fellow members would like to attend. An invita-

tion was dispatched by the Tahoe club at once.

An invitation was read from the Truckee Wyethia Women's Club asking the Tahoe club to attend and participate in the flower show being sponsored by the Truckee club in Capitol Hall, Truckee, on Friday, July 22, from 2 until 9 p.m. The local club accepted and will prepare an entry.

A \$50 check was sent to the Tahoe Community Center as a donation toward upkeep of the hall. The Women's Club holds a 50-year lease through a donation of \$500 made at the time the building was erected approximately nine years ago.

Members voted to accept the offer of Standard Oil for the use

of some of their excellent movies which will be shown at night to members and their families in the community hall.

The club also voted to write the Yountville Veterans home to get the name of a permanently disabled vet who is in need of assistance, as the members wish to adopt him and make life more pleasant in any way possible. Ladies of the club formerly assisted a little Indian boy at Weimar sanitarium who has since moved away.

Other matters discussed were the sponsoring of a puppet show and the inauguration of a safety program for the Tahoe district.

Amateur Talent Shows Again Are Featured In Tavern's Green Room

TAHOE CITY—Tahoe Tavern has again started weekly amateur shows in the Casino Green Room where Al Wallace's orchestra holds forth each evening. The amateur talent shows will be held each Thursday night at 9:30 with a \$10 first place award, \$5 for second and bottles of champagne for third and fourth place. Everyone is welcome to enter the contests and application for a tryout may be made on Wednesday before noon with Linn Biron, social director.

On last Thursday night Jerry Frankel assisted with the first amateur performance which was won by two contestants who tied for first. They were Rita Johnson, who impersonated Sophie Tucker, and Mike Moran, who impersonated Frankie Lane. Marjorie Swenson came next and Mrs. Kaplan fourth.

Mr. and Mrs. Fred Ichelson of Tahoe Tavern observed their 10th wedding anniversary last Thursday night and were seen in attendance at the Tavern's first amateur show in the Casino Green Room that night.

Lake Forest Boosters to Name Officers at Meeting Set for Friday

LAKE FOREST—Members of the Lake Forest Community Club will hold their first summer meeting on the beach on July 22 with Mrs. Laura Wilson, acting president, presiding. Ted Finger, president of the group, recently sent in his resignation as he is now working in Roseville and visits the lake and his family at Lake Forest only occasionally.

The club is composed of 80 active members and number of social members. Election of officers will be the chief order of business at Friday's meeting.

Sue Enfield Visiting Relative in Auburn

TAHOE CITY—Mrs. Sue Enfield, who has been residing at Tahoe Pines, leaves on Thursday for Auburn where she will visit her grandmother, Mrs. Emma Gargan. Her daughter Dee-Dee is being cared for by Mrs. John Pingree of Tahoe City and her two sons, Michael and David, are enjoying a vacation with their paternal grandparents, Mr. and Mrs. F. D. Enfield of Hollywood.

Swim Teachers at Lake Being Kept Busy With 3 Classes Daily

TAHOE CITY—Herb Meyers and his assistant, Miss Evelyn Gassaway, instructors for the Tahoe Red Cross swimming classes, are being kept hopping as they tend their classes in the Placer County area of the lake.

Kings Beach is reported to have between 80 and 90 attending each morning between 10 o'clock and noon. At Lake Forest, 27 youngsters have joined the 1:00 to 2:30 p.m. classes and another 18 are taught at Tahoe Pines beach between 3:00 and 5:00 p.m. Classes are not being held at Tahoe City community beach this summer.

Current class instruction will not close until July 23 and all children wishing to join may still do so at any of the three locations.

446 CSF of Water Leaves Lake Tahoe Monday

TAHOE CITY—The lake level on Monday was 6225.24 with 446 CSF of water leaving the gates at the Tahoe dam. Coldest day of the past week was on the 17th with 45 degrees and warmest was on the 14th with 85 registered.

Mrs. Bliss Hinkle has left the hospital in San Francisco and is now residing at the family's San Francisco apartment. She is reported much improved in health.

TAHOE ITEMS

Mrs. Marie Henry of Tahoe City was in Auburn Monday attending a meeting of the Placer County board of health of which she is a member.

Mr. and Mrs. C. F. Edwards of Los Angeles are at Tahoma renewing local friendships and enjoying the perfect weather at the lake.

Dr. Lloyd Heaney of Fairway Drive passed another birthday on Friday last, the family enjoying dinner with friends near the state line at south Tahoe.

In for a visit at her Timberland Tract home is Mrs. Earl F. Walker of Santa Barbara.

Mr. and Mrs. J. G. Baldocchi of Antioch and Lake Tahoe this week wrote local friends from New York where they are visiting briefly. They will embark, with their new Packard, on an extended visit to Italy to see friends and relatives. Their summer home is in Tahoe's Timberland Tract.

Occupying one of the Warner cottages on Grove Street for the summer are Mr. and Mrs. H. O. Smith. Smith is employed by Charles Warner for the season.

Mrs. Ollie Meek and daughter Diane and Mrs. Marilyn Burnham and children are enjoying the summer on the Truckee River. Both are daughters of Mrs. Alfie Luhrs at whose home Mrs. Meek is vacationing. Mrs. Burnham is occupying the family home on Burnham Hill. Both are joined

Floriston by C. A. FELESINA

FLORISTON—Once more fire struck at this small mountain hamlet but this time, fortunately, due to the quick action of Mrs. C. R. Fogg who discovered it and raised the alarm and of Fire Chief Wesley Craig and the rest of the towns people in extinguishing the blaze, it was stopped in time and did no damage. The fire, of unknown origin, started in a pile of rubbish in the basement within five minutes after the owners, Mr. and Mrs. E. P. Hutzler, left home. In fact they were seen pulling up onto the highway on the other side of the river just as the alarm was spread but of course it was impossible to attract their attention. Mrs. Fogg, who lives directly in back of the Hutzler house, happened to see the smoke as she stepped out on her back porch to speak to her husband who was working there. A call was put in to the forest service and to the Southern Pacific, both of whom responded immediately but the fire was out when they arrived. The forest service of Truckee, Tahoe and Reno all sent and the townspeople of Floriston are very grateful for such fine response by both the forest service and the Southern Pacific.

Mr. and Mrs. Wesley Craig and daughter Linda have returned from a three weeks vacation in Pasadena and the bay area. They were accompanied home by Mrs. Josephine de Curtini of San Francisco who will spend a few weeks with them here.

Mrs. Gordon Mack is confined in a Reno hospital and while she is there, Mrs. Gladys Gregor of Reno is here caring for the family.

over weekends by their husbands. Mrs. G. D. Waters of Tahoe City is enjoying a visit in Dallas, Texas, where a grandson arrived, the son of her son and daughter-in-law, Mr. and Mrs. W. A. Mahaffey, on July 13. Mrs. Waters flew from Reno to Texas and will fly home on Friday of this week.

President G. D. Waters of the Lake Tahoe Ski Club reminds all members not to forget the regular club meeting Friday night, July 29. Refreshments and entertainment will follow the business session.

Mr. and Mrs. George B. Varum of Los Angeles are occupying their cabin located in the Tahoe Cedars tract until the end of the summer.

Teacher Moves—Miss Marion Lothrop, former Truckee high school teacher who has been teaching at Manteca, has returned to Sacramento for the summer.

ROTARY CLUB OF NORTH TAHOE MEETS HERE TUESDAYS AT 12:10 P.M.

Giant glass of water dwarfs famous skyline!

What a sight to behold! A giant glass 28 times the size of the Empire State Building!

That's how large a glass would have to be to hold the more than eight billion gallons of water delivered daily by America's public power systems. A great and indispensable industry is public water supply — seven times larger in tons delivered than the combined product of all other industries, including steel, coal and agriculture.

A good water supply rarely receives the public recognition it deserves because it comes to you from source to faucet unseen. But it is the greatest asset of any community.

The TRUCKEE PUBLIC UTILITY DISTRICT supplies you with water that has been passed upon by the California State Board of Health as pure and uncontaminated.

Vind Handles Boats At Donner Lake

Red Vind, well known throughout this region and partner in a winter resort, Ski Inn Lodge, on Donner Summit, announces that he has secured the agency for Chris Craft boats at Donner Lake and is offering sales and service. Vind is also operating a Chris Craft runabout for lake cruises at nominal prices as well as a boat service station at the pier at the west end of the lake.

Athletes Foot Itch Not Hard to Kill In One Hour

If not pleased, your 40c back at any drug store. T-4-L, a STRONG fungicide, contains 90 per cent alcohol. IT PENETRATES. Reaches MORE germs to KILL the itch. Today at Loynd's Drug.

NOTICE OF AGREEMENT FOR PURCHASE OF TAX DEEDED LANDS

Pursuant to Chapter 8, Part 6, Division 1, of the Revenue and Taxation Code, notice is hereby given that the Board of Supervisors of Nevada County, which County is a political subdivision of the State of California, entered into an agreement dated July 6th, 1949, with the State of California, acting by and through the Department of Public Works, and which agreement was approved by the State Controller under date of July 11th, 1949, and a copy of which agreement is on file in the office of the said Board of Supervisors, for the purchase by the said State of California, acting by and through the Department of Public Works, of the following tax deeded property, situated in the County of Nevada, to-wit:

"All that certain real property situate in the County of Nevada, State of California, particularly described as follows:

A portion of Lot 6 in Block 14 as shown on the official map of "Donner Lake Company's Lakeview Subdivision," filed in the office of the County Recorder of the County of Nevada, September 8, 1919, May No. 32:

Beginning at the southwesterly corner of said Lot 6; thence N. 15 deg. 49' W., 12.85 feet, along the westerly line of said Lot 6, to a point in a line parallel with and distant 40.0 feet northerly, at right angles, from the center line of the Department of Public Works' Survey between Donner Grade and East End of Donner Lake, road III-Nev-37-D; thence, N. 73 deg. 27' E., 50.0 feet to the easterly line of said Lot 6; thence, S. 15 deg. 49' E., 12.74 feet to the southeasterly corner of said Lot 6; thence, S. 73 deg. 24' W., 34.46 feet and S. 73 deg. 02' W., 15.55 feet to the point of beginning. Containing 0.015 of an acre and last assessed to Betty Pickering on the tax rolls of Nevada County. Selling price \$1.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law prior to the sale thereof the right of redemption will cease. For the amount required to redeem, apply to County Auditor, Court House, Nevada City, California.

ELMA HECKER
Tax Collector, Nevada County,
State of California. ag4

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Tahoe-Truckee Joint Unified School District, Tahoe City, Placer County, California, at the office of the District Superintendent, Tahoe Lake Elementary School House, Tahoe, California, until eight o'clock p.m., August 1, 1949, at which place and time bids will be opened for the purchase of one (1) school bus with the capacity of forty-three (43) High school passengers in accordance with the following specifications:-

Chassis: Gross vehicle weight 17,000 lbs., 269 cubic inch engine, 195 inch wheelbase, 8 1/4 x 20 tires, 5 speed transmission direct fifth, 1 dash mounted heater with defroster attachment on windshield, 1 double fan midship mount heater, 1 rear mounted heater with defroster attachment on rear window, 87,000 B. T. U. total, booster brakes with vacuum reserve tank and spare tire.

Body: Gillig Brothers model 507, 43 passenger High school capacity, painted, lettered and fully equipped or equal.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol, 1950 regulations.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

By Order of the Board of Trustees, Tahoe-Truckee Joint Unified School District, William Rutherford, Clerk.

Signed: WM. RUTHERFORD

Friendly Fishing Feud Renewed at Homewood

HOMEWOOD—Mr. and Mrs. H. H. (Bert) Olson of Beverly Hills and Mr. and Mrs. W. P. Hargrave of Sacramento arrived at Homewood Resort last Sunday for a two weeks vacation. Joining them this weekend for a few days will be Mr. and Mrs. A. C. Seidel of Sacramento and Mr. and Mrs. B. J. Gabhart of Stockton.

During their stay at the lake, Olson and Seidel plan to renew their friendly feud as to which is the better trout fisherman by trying their luck on nearby streams.

State Fair Reservations Made Available At Office in Tahoe City

SACRAMENTO—Reservation of tickets for the racing program, night theatrical performances, and horse show at the California State Fair, September 1 through 11, has been made easier than ever before and many Western Union offices will accept orders for tickets starting August 1, Ned Green, secretary-manager, said this week.

Through an arrangement with the telegraph company, residents of Truckee and Lake Tahoe may call at the Western Union office in Tahoe City and pay \$1.20, which includes admission to the grandstand, reserved seat and federal tax. Western Union will telegraph for reservations and tickets will be forwarded immediately.

The agreement covers the territory from the Oregon border to San Luis Obispo and Bakersfield in the south.

Visiting Woodland—

Mrs. C. Don Huff of Homewood spent a few days in Woodland this week.

Human Rights Commission Meets Again

Members of the United Nations Commission on Human Rights which recently concluded its fifth session at Lake Success, hold an informal discussion between meetings. Left to right: Dr. Charles Malik, of Lebanon, Rapporteur; Prof. Rene Cassin, of France; and Mrs. Eleanor Roosevelt, Chairman. The Commission began drafting an International Covenant to implement the Universal Declaration on Human Rights adopted last year in Paris by the General Assembly.

Nearly 600 4-H Club Members of Nevada Expected at Tahoe

Rural boys and girls throughout Nevada are getting ready for the 1949 Nevada 4-H Club camp at Lake Tahoe August 1-11. About half of all the 4-H Club boys and girls in that state are expected to be on hand for the event. Three hundred of them will attend the first division for older youths from August 1 through 6 while another 250 will enjoy the session from August 8 through 11 for the junior boys and girls.

As in recent years, the camp this summer will stress "just having a good time," Paul Maloney, camp director, announced this week. Maloney is assistant director of junior work of the University of Nevada agricultural extension service, which sponsors 4-H work.

Organized outdoor recreation and a democratic government will be featured again this year, he said. Officers of the club members, elected at last year's camp, will be in charge of making and enforcing camp rules and regulations in the American self-government tradition.

Several educational activities are on the program. Classes will be given for those who wish in rural photography. The Pacific Crafters of Stockton will again be in charge of the popular craft work in which the campers make souvenirs for the folks back home. The extension forester will give instruction in preventing fires on farms and ranches.

In World War I there were approximately 250 "Marinettes" or Women Marines.

Tahoe Chamber Head Is Main Speaker at Brockway Rotary Meet

KINGS BEACH—At the Monday, July 11 meeting of the Rotary Club of Brockway visiting Rotarians who introduced themselves were Curt Ring, Palm Desert club; Samuel Leask III, San Jose; Chet Hendricks, Walnut Creek; W. R. Fields, Truckee; Clarence Gilkes, Steve Korich and Al Snyder, North Tahoe. John Sullivan of San Francisco and H. Ruffing of Reno were guests.

Program Chairman Bill Bates introduced Fred Perley, secretary-manager of the Lake Tahoe Chamber of Commerce, who took as his topic "Promoting Lake Tahoe by the Chamber of Commerce." He outlined the program of the organization in a most interesting and instructive manner. Perley also explained the new booklet which has been compiled by the chamber and which is now in circulation.

President Chet Langenstein presided.

Cotton is now California's leading agricultural crop.

Brockway Rotarians Hear of Proposal For District School

KINGS BEACH—Everett V. O'Rourke, superintendent of the Tahoe-Truckee Unified Schools, was the speaker at the Monday, July 17, luncheon meeting of the Brockway Rotary Club. He told of the nine sites which had been

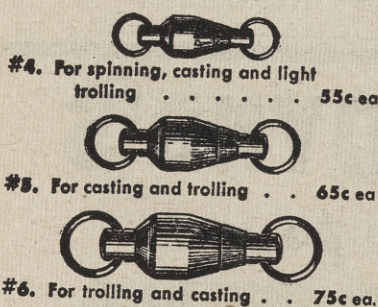

new high school, all save one being eliminated for various reasons. A final decision was made on the 49-acre site which has been offered by the Truckee Public Utility District for \$2,000, providing the bond election proves favorable for the new school. This site is west of Truckee Wye on the south side of Highway 40. A proposed plan has already been submitted to the board of trustees as to the type of building to be erected at an approximate cost of \$750,000.

My Place In the Sun

by DOUG BARRETT

Harold Hodson tells me his Irish Setter, Golden Bonnie of Donner, became the mother this week of nine beautiful pups..... six male, three female.....They're pedigreed, papa being Patrick O'Toole, also of the Hodson kennel.....Speaking of litters, our tabby came through with half a dozen cute kittens.....We'd like to keep 'em but there's just not the room.....so if you want one, just say the word.....cause they are ready for adoption now.

Went up to the Forest Service station last Thursday evening and Willie Curran showed me over the grounds.....You'd be surprised at the organization and equipment they have up there.....Their new fire truck is a dilly.....and their communications set up can really pin-point a forest fire.....Incidentally, the public camp up

suggested as a location for the ing were Paul Pioda, Salinas; Jack Hanson, Sparks; Robert E. Pierce and Lester Simmons, El Cerrito; John Breshini, Salinas; Robert L. Sprinkle, Ventura; C. Gilkes, Steve Korich, Ket Ketman, Mulford Miles, of the North Tahoe club; M. Pete Bennett, Catalina-Tucson; Chet Hendricks, Walnut Creek; Fred Block Jr. and Ed Chism, Reno; W. Purcul, Bell-Maywood; Elmer Laison of Turlock. Also guests were Mrs. Robert Pierce and Byron Abbott. It was announced by President Chet Langenstein that the club had tied with the Cedarville Rotary with a 100 per cent attendance for the past month.

SCHOOL BOND ELECTION NOTICE

Notice is hereby given to the qualified electors of TAHOE TRUCKEE JOINT UNIFIED School District of the Counties of Placer and Nevada, State of California, that in accordance with law, an election will be held on the 16th day of August, 1949, in said District, between the hours of 7:00 o'clock A. M. and 6:00 o'clock P. M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of Seven Hundred Fifty Thousand Dollars for the purpose of raising money for the following purposes:

- (a) The purchasing of school lots.
- (b) The building or purchasing of school buildings.
- (c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs.
- (d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- (e) The supplying of school buildings with furniture or necessary apparatus of a permanent nature.
- (f) The permanent improvement of the school grounds.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

\$600,000.00 of the above amount to be used for high school purposes and \$150,000.00 of the above amount to be used for elementary school purposes.

Said bonds proposed to be issued and sold shall be of the denominations hereinafter specified, and shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run and semi-annually thereafter, and shall be numbered from 1 to 750 consecutively, payable as follows, to-wit:

Bonds
Numbered
(Inclusive) Denomination To Run
1 to 37 \$1000.00 1 year

there was full and the folks all seemed to be enjoying our woods.

Took a hike down the right-of-way for the new highway section east of town.....The heavy equipment is rally turning up the dirt and boulders.....The first stretch of concrete is down.....the top of a culvert over Trout Creek.....They've started whittling down the mammoth rock back of the Methodist church.....The enlarged and remodeled Catholic parish house is really an asset facing the new freeway.....Just a skeleton remains of Thornton's garage.....while the skeleton of a new garage rises just south of it toward the tracks.....Gleaming in the sun, I spotted the new roofs

of the Catholic parish house and the Layne Simkins house (used to be the Laity place) with shingles and the Dave Rose and Al Bradshaw houses, in metal.....

Bert Brock's smiling face centering a Navy recruiting display in the utility office window..... Ardell Bottell is the fourth lady back of the grill in the post office.....which is a busy place these days.....Clarence Osburn supervising the unloading of a new Kaiser.....Peanie Loynd man-aging to keep his good nature in spite of those crutches.....Saw Mrs. Frank Titus out at the ball game Sunday with her hubby..... and both rooting the Mountaineers to victory.....which seem-

"WHERE THE LOCAL PEOPLE EAT"

LASSEN GAMBLING DEN OF NO INTEREST TO LAW AND ORDER FORCES

SACRAMENTO —(W. N. S.)—Evidence of past widespread gambling in the northern part of the state was revealed this week by two scientists of the University of California.

Archaeologists Frank Fenenga and Francis Riddell of the Berkeley campus announced they have found an underground gambling den in Lassen County. The main gaming room, 45 feet long, is

complete with gambling equipment but neither operators nor customers were found in or about the premises—possibly because the illegal establishment is the property of a vanished California Indian tribe.

The "den", 200 feet up the side of Honey Lake Valley, Lassen County, is effectively concealed, the archaeologists report. Primitive dice were found and a large number of wooden counters used for tallying wins and losses were also discovered.

Industrial Accidents

The state department of industrial relations said that in Nevada County there were 487 persons injured during the year of 1948 as the result of industrial accidents.

Pinckneys Here—

Mr. and Mrs. T. E. Pinckney of Sacramento were in Truckee during the weekend, en route home from Reno where they had been guests of Mr. and Mrs. Lyle Smith. While here they visited Mrs. Eliza Campbell, George Andrich, Mrs. Dan Smith and other local friends.

Mothers Visit Gilsons—

Mrs. Louise Hawkins of Los Angeles and Mrs. Della Kiley of Lancaster, Ohio, the mothers of Mr. and Mrs. H. A. Gilson, are guests of the local couple.

More Birthdates—

T. T. Buell is celebrating his birthdate today. William Englehart Sr. observed his birth anniversary Thursday, July 14, at a family party.

In Oakland—

Mrs. Tony Polyanich is visiting her son-in-law and daughter, Mr. and Mrs. Keith Weeden, at Oakland.

City Visitors—

Mr. and Mrs. V. L. Deaton were weekend visitors at San Francisco.

Guests from Davis—

Mr. and Mrs. Carl Remby of Davis were weekend guests of Mr. and Mrs. Robert Leamon.

Pollock Here—

Maurice Pollock of Carson City greeted friends here Monday. He wintered in San Diego with Bill Bailey and reports the former local man has returned to work after having been in the hospital several times in recent months.

Visit Bradshaws—

Mr. and Mrs. Ted McKinstry and children from Oakland have been visiting at the home of Mrs. McKinstry's parents, Mr. and Mrs. A. G. Bradshaw.

Family Returns—

Mrs. E. C. Towler and family have returned after a visit in Quin, Missouri, with her daughter, Mrs. H. L. Overton, a former local resident. Towler left Tuesday to meet his wife and children at Ogden and accompany them home.

Official Here—

Roy Dean, official for the Orange Crush Bottling Co. at San Francisco was a visitor at the Coca-Cola Bottling Co. plant for two days this week.

Seeing State—

Mrs. S. Peltin and son Michael of Milwaukee, Wis., were guests of Mr. and Mrs. Don Ryan before the four visited in Sequoia National Park last week. The visitors and Mrs. Ryan are now enjoying three weeks at the home of Mr. and Mrs. K. C. Grayson in Long Beach.

SQUAW VALLEY

(Continued from Page 1)
has become known internationally. Allais will have charge of the winter sports programs as well as instructing.

Cushing said that approximately \$400,000 will be expended on the development this year to provide what he termed the finest winter sports project in the country.

The Squaw Valley Development Company is incorporated under the laws of Nevada, Cushing said, and among its principal stockholders are Cushing, who organized the company; Daniel Caulkins, New York; W. W. Crockett, San Francisco; Portland Hill, Los Angeles; Ogden White, New York; James Knott, New York; Mrs. Marty Arronge and others, all prominent in the business and financial world.

E. L. Wallace is superintendent for Frances on the lodge construction and H. J. Osborne is the foreman. Local 2035, Carpenters Union, at Tahoe has jurisdiction over the work, Ted Barrett, union agent, reported.

CHARLENE WRITES

(Continued from Page 1)

handed Aunt Ervina a dollar the other night and said "I want two fifty-cent tickets—and no back talk either!", she wasn't the only one who was surprised.

Probably most of you have met the constable. I'd never seen him until the other night and when I did I was very surprised. You see, Uncle Vern had been referring to him as "Shorty" and when I saw that the top of Uncle Vern's head only reached the constable's shoulder, I wondered how Uncle Vern could ever think up a name like that for a man so much taller than he. But "Shorty" isn't the only nickname Uncle Vern has thought up. I've

suddenly become "Charlie" and Ann now has the awful nickname of "Annie Bananie".

I wish I knew how many people who live in Truckee went out to the baseball game between Auburn and Truckee last Sunday. Why I've been wondering about it is because nobody seemed very enthused about the game. Everyone I asked who they thought would win replied "Auburn". So I think that Truckee's team must have put up an awfully good game with such little encouragement.

Now I'd like to thank Mr. Barrett very much for giving me the opportunity and wonderful honor to write for the Sierra Sun and I hope you all enjoyed my article.

SPECIAL OFFER

A GENUINE

HOOVER
Model 115

only **49.95**
and your old cleaner

Just think of it! Hoover's newest model—the handiest cleaner in America—costs only \$49.95 and your old cleaner (cleaning tools extra). It's a triple-action Hoover—it beats, as it sweeps, as it cleans—yet it weighs only 13 pounds. See it in action in your own home. Call today—there's no charge, no obligation.

Tarzan

by EDGAR RICE BURROUGHS

"THE ROUND ONES!" WOLO
MUTTERED. "ONONOE!" TARZAN
WHISPERED. "I'M GOING TO
HAVE A CLOSER LOOK. WAIT
HERE, WOLO!"

WITH
INFINITE STEALTH
TARZAN MOVED
NEARER TO THE
STRANGE CREAT-
URES, DROP-
PING TO A
LIMB
DIRECTLY
ABOVE
THEM.

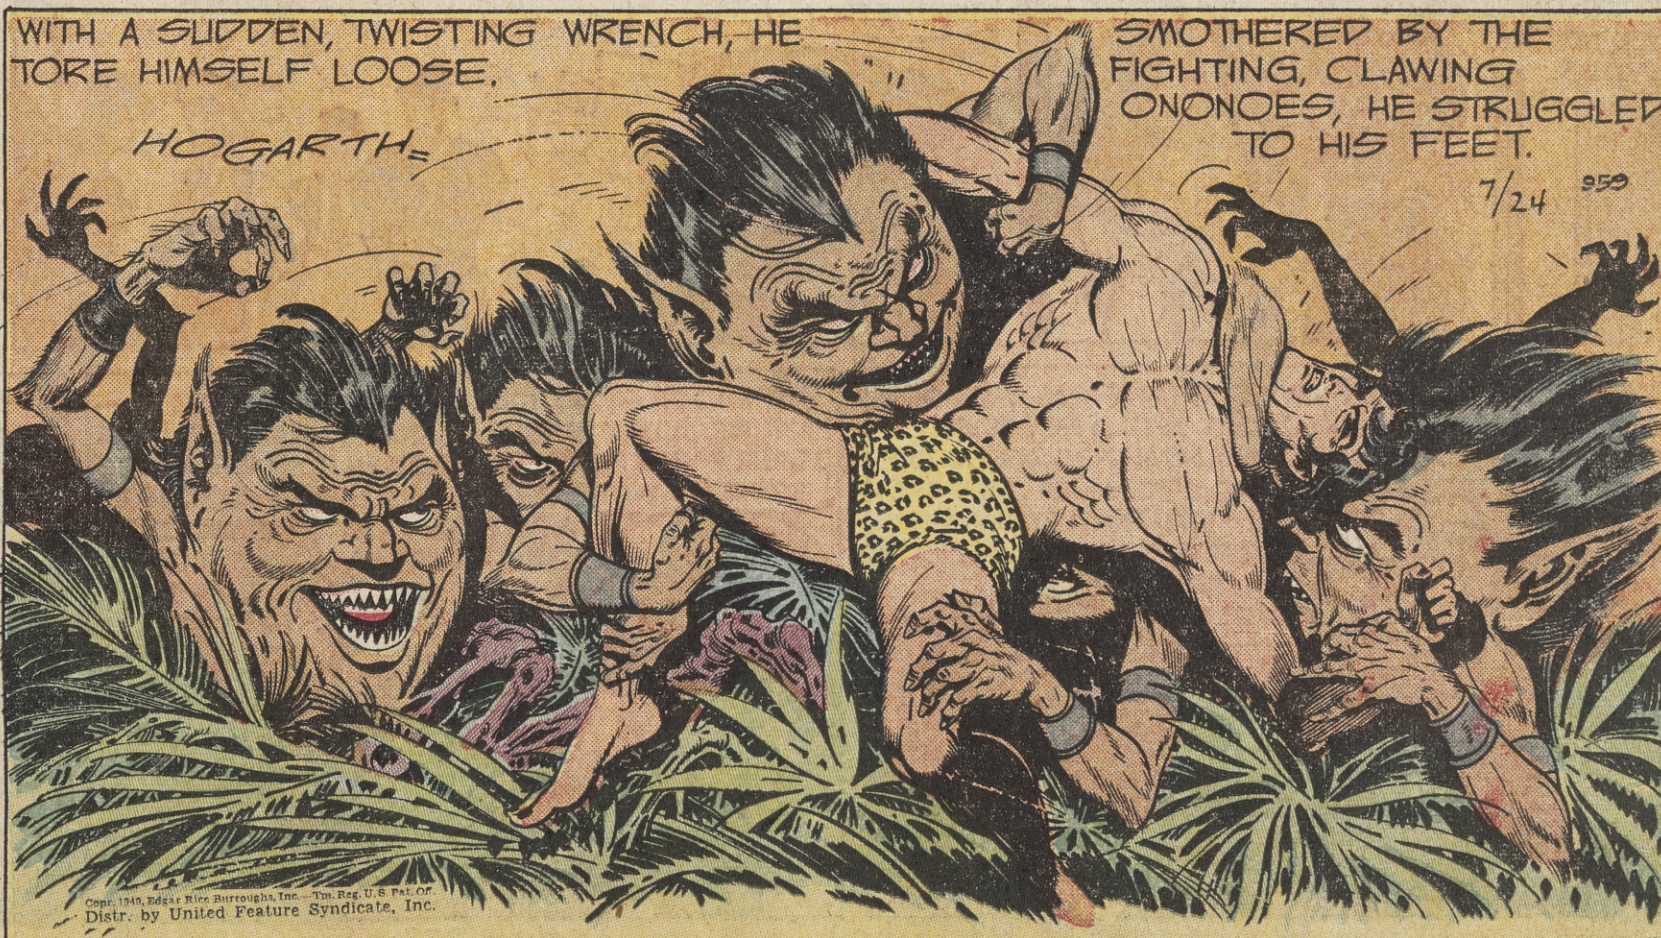

EVER SO CAUTIOUSLY
HE PARTED THE LEAFY
FOLIAGE AND PEEKED
DOWN INTO THE LITTLE
GLADE.

WITH A LOUD, TEARING SOUND THE BRANCH
GAVE WAY, AND TARZAN WAS PRE-
CIPITATED INTO THE MIDST OF
THE SURPRISED ONONOEES.

FOR A MOMENT HE LAY STUNNED. WHEN
HE TRIED TO RISE HE DISCOVERED
HIMSELF HELD IN THE GRIP OF
POWERFUL ARMS.

WITH A SUDDEN, TWISTING WRENCH, HE
TORE HIMSELF LOOSE.

HOGARTH=

SMOTHERED BY THE
FIGHTING, CLAWING
ONONOEES, HE STRUGGLED
TO HIS FEET.
